

Dear Ms. Miller,

Be advised that the Committee has amended the Post Special Election report covering 10/15/2009-11/23/2009. This amendment was done in response to your letter dated October 22, 2009 stating that the Calendar to Date totals for line 23 and line 29 were incorrect. It seems that the committee changed a classification in the April Quarterly report and as a result the Pre-Special and Post Special reports needed to be amended as well to reflect the Calendar to Date totals. Therefore, the year end report should not reflect accurate Calendar to date totals for said lines. I am attempting to file the Pre Special Report amendment as well. However, the report was rejected by the FEC server. I obtained a back door password and will attempt again so that this report also reflects the proper Calendar to Date totals. In the event that the password does not work I will contact you next week to resolve the issue. Should you have any questions do not hesitate to contact me at 718-457-8585. SCOTT KAUFMAN
